Washington securities yesterday were considerably neglected because of inter- the Baltimore Stock Exchange est centering in the decision of the Su-180% nections were obliged to be "on the job" in their offices. The New York market was in a flurry, and the wires were hot with the doings there and at the Capitol. As a result the local exchange was given over mostly to the bankers and the real estate men, and trading was rather small and without much change in prices. The bankers being present, the call for bonds was urgent, and some trades were recorded in Gas certificates, potomac consolidation 5s, and Washington Railway and Electric 4s.

United States Trust was the most active stock. In ten-share lots and some smaller parcels it was sold between 104% and 1051%, the latter being a new high price on the current movement of the stock.
